Financial Aid:

If you need additional aid, please reach out to financial aid. New Grad PLUS loan requests can be submitted by going onto www.studentaid.gov. You will need to use September 2021 – May 2022 for the loan period since the amount you request will be split between the fall and spring semesters. Therefore, you should more than double the amount that you need now due to the 4.228% loan origination fee. You'll receive half of the amount now, and the other half will be included in your spring loan disbursement. Any new loan requests **MUST** be submitted by December 6th in order to allow the financial aid office time to process the requests.

Please reach out with any questions.

Best,
