

Evaluation of Directed Study Instructor Office of the Registrar

Student Name:

Title of Directed Study:

Name of Directed Study Instructor:

You are required to evaluate your directed study mentor/instructor. Your answers will be treated confidentially and will in no way affect your getting credit for the study. To that end, this page will be separated from the rest of your evaluation as soon as you turn it in. Be as detailed as you are comfortable being-this information is very important to other students. Information from these forms will be compiled keeping your individual identity anonymous.

- 1) Did the instructor fulfill the contract for the study?

- 2) Was s/he effective as a instructor?

- 3) Did s/he interact positively and respectfully with you (and other students, if applicable)?

- 4) Did s/he create a climate conducive to learning?

- 5) Would you recommend this instructor to your fellow students? Why or why not?
